Mary Our Queen Community,

Our school takes pride in supporting the needs of the whole child, and to ensure that all children are safe, supported, engaged, and challenged each school day. Research indicates that initiatives focused on improving aspects of students' well-being in schools — such as addressing childhood obesity, preventing bullying, supporting students mental health, and restricting use of exclusionary discipline — have been found to be successful in improving student success and academic excellence. We have assessed our wellness policy as part of the USDA requirements. Below are the results of our assessment.

Step #1- Summarized results of the wellness policy assessment...click HERE to view.

Step #2- Summarize results on progress made in meeting your 3 district wellness policy goals across all grade groups. Click HERE to view.

Identify steps taken to meet unmet goal(s) or policy elements that are not currently met and how you will update Wellness policy goals, if needed.
The Wellness Committee will meet and delegate tasks to group members to ensure we meet the unmet goals listed in Step #1.

Document how you updated the public below :Our updates will be posted on the school website.

If you have any questions, please contact **Michelle Zaleski at mzaleski@moqschool.org.**

Respectfully,

Administrator and/or Wellness Leader
